COMPETITIVE 2021 RODEO EVENTS

All 8 action-packed events at each performance!

BAREBACK BRONC RIDING

Emphasizes the balance of the rider as only one hand on a rigging strap helps him to stay aboard his bucking mount.

TIE DOWN ROPING

Tests both horse and cowboy as they work together to rope and tie a calf weighing up to 350 pounds in a race against the clock.

SADDLE BRONC RIDING

Brings horse and rider together in a classic duel as the cowboy attempts to stay atop the bronc for 8 seconds.

BULL RIDING

The most dangerous of all rodeo events, pits the cowboy's courage and riding skill against the speed and power of a 1500 pound bull.

STEER WRESTLING

Is a timed event in which the cowboy leaps from his running horse, grabs the steer's horns, and attempts to throw the animal to the ground.

BARREL RACING

Features the skill of the cowgirl as she races her horse against the clock in cloverleaf fashion around a series of three barrels.

TEAM ROPING

Pits a pair of contestants in a races against the clock as the "header" ropes a steer's horns while the "heeler" attempts to lasso its hind legs.

"Oldest Consecutive Rodeo East of the Mississippi"

THE HISTORY OF RODEO IN GERRY, NEW YORK

There were many doubts when a former working cowboy, Jack Cox, moved to Gerry and in 1945 suggested a rodeo as a way of raising money for the newly formed Gerry Volunteer Fire Department.

His idea became a reality, however, as members of the department in seventy days turned four acres of swamp into an arena and parking lot in time for the arrival of Colonel Jim Eskew and the livestock.

This year the Gerry Volunteer Fire Department presents the

seventy-sixth consecutive annual rodeo with an arena seating 3600, a lighted parking lot and a midway.

All food is prepared daily in our kitchen and outdoor barbeque pits, served in a modern enclosed dining hall, where you can make friends with your dining neighbors and comment on our famous locally prepared barbeque sauce.

Thus, through the volunteer help of nearly everyone in this quiet community, for one week each year Gerry becomes the rodeo city of the East.
